

Permit to Work Awareness

JTN Course Code – HSSE004

AIM

To provide delegates with a general awareness of what a permit to work (PTW) system is, how it works and how to comply with it.

COURSE CONTENT

On completion of this module the delegate should be able to explain:

- the reason for PTW systems.
- when PTW systems are applicable.
- the individual responsibilities within a PTW system
- the different types of work requiring a permit
- the different supporting certificates
- the procedure for issuing a permit to work.
- the importance of cross - referencing documents
- the procedure for the close out of a permit to work

Note! Each delegate will be issued a module handout for future reference.

ASSESSMENT

On completion of the module the delegates will be subject to a 15 question underpinning knowledge assessment. A pass mark of 75% is required

CERTIFICATION

Delegates successfully meeting the requirements of the module will be issued a JTN Certificate of Attendance.

REVALIDATION

There is no revalidation period for this training module, but refresher training is recommended every 2 years.
