

Offshore Crane Operator Level 3 Training Revalidation (Exceptional Circumstances)

- 🕒 **Duration:** 5 hours per delegate
- 📝 **Method of Tuition:** Zoom App/ Skype Application
- 👤 **Participants:** One-on-one session

Aim

Due to the restrictions in place for the coronavirus pandemic, JTN has developed an online program to establish that the offshore crane operator has maintained or attained the underpinning knowledge, understanding and practical skills to fulfil the role of a Level 3 Offshore Pedestal Crane Operator safely and effectively.

Note: Offshore Crane Operator Level 3 is for offshore crane operations involving offloading & backloading supply boats.

Performance Evaluation Criteria

As practical evaluation is not possible, the Online Level 3 Training Revalidation will cover in detail, structured knowledge and practical lifting operation scenarios questioning to ensure delegates have maintained or attained the required level required of a Level 3 Offshore Crane Operator.

Topics evaluated include:

- Pre - start checks.
- Pe - operational checks.
- Functional checks with crane running.
- Crane malfunctions and alarms.
- Deck & supply vessel lifting operations.
- Billy Pugh personnel transfer.

Who Should Attend

Personnel who wish to revalidate their API Offshore Crane Operator Level 3 Training qualification or, experienced Level 3 offshore crane operators that wish to gain API Offshore Crane Operator Level 3 Training certification.

Pre-requisites

- Delegates for Online API Offshore Crane Operator Level 3 Training Revalidation must:
 - a. hold a valid API Offshore Crane Operator Training Certificate

or

- b. A formal letter from the delegate's employer or senior employer representative stating that the delegate has met the equivalent of the Online API Offshore Crane Operator Level 3 Training Revalidation Performance Evaluation Criteria.

The formal letter should include details of the employer/senior employer representative's position in the company, full contact details, and be signed and dated by the employer/senior employer representative.

- have access to internet
- have Zoom or Skype Application (video link) to complete the re-assessment program. be capable of reading and understanding the English language

Certification

Delegates successfully meeting the Online API Offshore Crane Operator Level 3 Training Revalidation Performance Evaluation Criteria will be issued with an API Offshore Crane Operator Stage 3 Training Revalidation certificate extension which is valid for 12 months.

The successful delegate shall also be qualified to perform crane inspections, except for the initial, quarterly and annual inspections.

Note! If the coronavirus restrictions are removed, a complete practical re-assessment must be achieved before this extension expires.

Where a delegate DOES NOT MEET the required evaluation criteria, no certificate will be awarded, and the delegate must retake the Online API Offshore Crane Operator Level 3 Training Revalidation Performance Evaluation Criteria.
